***** Did you know**

In April 2001, GPA-Northern Virginia was officially granted chapter status. From the late 1980s when just a few people helped put a few greyhounds into homes, we have grown into a strong organization with over 100 dues paying members placing nearly 60 dogs a year. As we continue to grow, we hope to do everything we can to make sure that every retired racing greyhound has a home.
